## NEWSLETTER

With Christmas getting closer and the excitement building up in the younger classes we have almost reached the end of another term. Most pupils have been learning new steps, figures and dances in preparation for the U.K.A, examinations next term. Thanks to five families we have managed to recruit seven new pupils this term but still need more to build up the numbers in some classes

The adult Scottish Country Dancing class is now more advanced and some members are regulars at local dances. I am hoping to start a new beginners' class on Fridays, 7.30pm until 8.30pm, if there is enough interest. This group would hopefully amalgamate with the existing class after a term or two. S.C.D. is a relatively cheap social activity that exercises the brain as well as the body. It would be wonderful to have more parents and friends participating.

Congratulations to all our Highland competitors for winning medals at recent competitions, especially to the trophy winners; Katherine Blake and Seamus McIntosh at the Harpenden Highland Gathering, Katherine at Chatsworth and Emily Latto and Anastasia David at Corby.

Many thanks to all those who supported the ceilidh in October. Please note the date of next term's ceilidh and we still have the Christmas Family Dance on December 10th. I hope to see you there.
